Monday 7:00 A.M.
Will send you this card to let you know that I received the greetings. Thanks. This card has the picture of my school. Yes, I wish I could have been home too, when U were up to the folks. Have wished it many times, but can not till in Aug. as I want to finish school first & then go home. How is Emanuel? Am waiting for him to write.

Hoping to hear from you again,

Koch.
